# SEÑOR SANCHO'S

## Welcome to Señor Sancho's!

It all started back in 1990 when Carlos and Marianne Leyva turned their love of all things Mexican into a place where great food, fun atmosphere and tasty libations come together. Since then, Sancho's has become a local tradition with two locations in Paso Robles.

Our fabulous crew cooks for you from scratch and serves you with a smile, so you can relax and enjoy all of life's celebrations, from birthdays and anniversaries to just another beautiful day in Paso Robles.

Think of us whenever you want a little spice in your life. We'll cater your next party, serve up some delicious food to go, accommodate your celebrations, and welcome you for lunch or dinner anytime. We even have an incredible Sunday buffet brunch at our Spring Street location!

At Señor Sancho's, we love what we do, and our business is YOU!

In order to better serve you, we'll happily seat your party when your entire group has arrived. (Enjoy a tasty drink from the bar while you wait!) We can't offer separate checks to groups of ten or more, but we'll gladly help you with the math. For parties of ten or more, we'll add an 18 percent gratuity and include it in your check, so you don't have to worry about your server's tip. Your friendly server will be your cashier, accepting cash or credit cards (no checks, please!).
